

Welcome to the Naturverse - Theme Song (Lyrics)

Welcome to the Naturverse(TM)

A magical world of learning and play,
With Turian and friends to guide your way.
From Thailandia to Lotus Lake,
Discover the joy in each step you take!

Create your hero, explore the map,
Learn with laughter, earn your stamp.
From fruits to animals, bugs and more,
Adventure and knowledge behind every door.

This is your world-go far, go free!
In the Naturverse, be all you can be.
